SECOND LETTER REGARDING TRANSMISSION OF July 02, 2008

This is the second letter containing a copy (fifteen (15) pages) of an original AF Response that was mailed for entry on July 02, 2008 and apparently has not yet been entered. This response of July 02, 2008 was resent to the PTO on July 30, 2008, via facsimile transmission and although we received an auto reply stating that all pages sent were received, the correct number of pages has not been received by the Examiner. Please expedited the entry of this amendment and forward it to the Examiner immediately. A three-month extension of time has been granted, and no further time extension or any other fees are believed to be necessary at this time, however, if additional fees are necessary for prosecuting this application, they may be charged to account number 50-3328.

Respectfully submitted,
